

Celebrations – September 2014

WOW – what an excellent day – great to be back on the water at Westbury again!

Members got together on Saturday to enjoy the lake using our replacement boats & canoes, kayaks & paddleboards on loan from Family Adventure Store of Trowbridge.

We invited Mrs Finney, Headmistress of Dilton Junior School to visit during the morning so that we could name the safety boat following the school's generous donation.

We followed this with an excellent BBQ of hot dogs & a variety of salads finishing with a huge selection of cakes.

The afternoon saw the completion of the Stig Type Challenge & the prize giving. Chris awarded George, Jessica & Laurie with boxes of chocolates for their efforts in the various classes.

Several photos of the day have been submitted & added to the [gallery](#), if you have some more please send them in.

The [Press](#) page has been updated with the printed stories.
