

## **RYA Dinghy Instructors – April 2014**

Following 6 days of being put through their paces 5 of our members successfully completed the RYA Dinghy Instructors course.

Alongside their sailing skills the course requires a wide range of skills in terms of teaching, safety, child protection, first aid & power boat driving. All these elements form part of a continuous assessment over the 6 days with the final day being under the watchful eye of a moderator.

Well done guys, we all look forward to working with you.
